Seeds of Awareness, Inc. (‘Seeds’) is accepting applications for the Fiddleheads Lead Supervisor

ABOUT SEEDS OF AWARENESS:
Seeds of Awareness mission is to transform schools and communities by cultivating empathy, connection and awareness. We value diversity and social equity in all aspects of our organization and we aim to increase access to social-emotional services by communities that have been systematically marginalized. Our vision is a future where emotional intelligence is the norm, where empathy and mindfulness are embedded in our education system, and where therapeutic support is accessible and commonplace.

Seeds is a non profit 501C3, and a collection of psychologists, psychotherapists, school counselors, educators and trainers who provide wrap around therapeutic and educational services to individuals, families, schools, organizations and community at large utilizing our mindfulness-based methodologies.

JOB SUMMARY: The Lead Supervisor is a part time hourly position for a core member of the Fiddleheads team whose primary role will be providing Clinical Supervision and oversight around key aspects of our clinical programming. This position requires attendance at weekly staff meetings in Oakland on Tuesdays, the ability to run a clinical supervision group on Tuesdays from 9:15-11:15am, and offers flexibility of hours and locations other days of the week.

*This position starts at 5-10 hrs/week with a strong opportunity for growth in the 2018-2019 school year to up to 20-hrs a week.

Ideal Candidate has:
- A BBS mental health License (MFT, LPCC, LCSW, Psychologist).
  - Practiced therapy or provided direct supervision for at least 2 years within last 5 years.
  - Completed 6 hours of supervision training or coursework every 2 years
- At least three years of clinical experience with a range of children, teens and family systems.
- Experience working with children and/or families with neurodivergence
- Familiarity with mindfulness-based clinical approaches and theory
- Experience with running smalls groups with youth populations
- Understanding of social and emotional learning methodologies
- Background and experience with ecopsychology is a plus
- Familiarity with or willingness to learn online Electronic Health Records system for documentation
- Excellent written and oral communication skills
- Genuine interest in and connections to diverse communities
- Strong sense of motivation, self-responsibility and passion for Seeds mission and services
Commitment to self-care and vision for personal and professional growth with Seeds

**Essential Duties:**

- Deliver weekly individual/group supervision to Seeds counselors in Fiddleheads nature-based programs
- Be part of a team to deliver and support bi-monthly clinical trainings for Fiddleheads program
- Maintain relevant and consistent communication with the core staff team
- Review clinical documentation of counselors on a regular basis.
- Supporting counselors and supervisors in times of crisis.
