

SEEDS FIDDLEHEADS PROGRAM CLINICAL MANAGER & SUPERVISOR

Seeds of Awareness, Inc. (“Seeds”) is accepting applications for the **Fiddleheads Clinical Manager and Supervisor**

ABOUT SEEDS OF AWARENESS:

Seeds of Awareness mission is to transform schools and communities by cultivating empathy, connection and awareness. We value diversity and social equity in all aspects of our organization and we aim to increase access to social-emotional services by communities that have been systematically marginalized. Our vision is a future where emotional intelligence is the norm, where empathy and mindfulness are embedded in our education system, and where therapeutic support is accessible and commonplace.

Seeds is a dynamic, community-based, heart-centered organization on an exciting growth trajectory, sharing our transformative services throughout the bay area. Our team is innovative, creative, fun and spirited. We are a revolutionary community committed to social justice, emotional wellness, positive relationship, and community engagement.

We are empowering our future with mindfulness and empathy through our four distinct therapeutic programs: school based, holistic community counseling, nature based therapeutic groups/camps, community wellness and professional development. Fiddleheads supports neurodiverse youth in a eco therapeutic setting, with after-school groups and summer camps. The approach provides mindfulness-based social skills instruction and therapeutic support through play, mentorship, and exploration in nature.
